

Imagine you r in museum and just listen to what ever iam telling as announcement and then look around and after that if u feel uncomfy or creepy run of down manoj he is waiting for yyou hell drop you to the station safe

I know this is very early for all these

Macha I have never liked a girl before I dint what love is towards humans I like everyone ... for me love was something or feeling that I have on casperrr..... but then I got this weird felling of desperately wanting you by my side always... a crazy amount of love and respect suddenly on you ...people told me that it wass love I don't want anyone to know about it for now coz I want you to settle first with work and others we can work on getting to know more about each other
